FOR IMMEDIATE RELEASE

## Littoral Marine- Crevalle Boats

*Premium bay boat manufacture gets a special visit.*

Wildwood, FL-April 20, 2018- Crevalle was honored to get a special visit from the Florida Commissioner of Agriculture, Adam Putnam. Putnam is currently running for Governor of Florida. Crevalle is a great example of Putnam's beliefs of the American Dream. It represents his goals to help build a strong economic foundation for Florida, create jobs and endorse individuals and small businesses.

### About Mr. Putnam

Adam Putnam's vision for Florida is "one that puts Florida first and will make Florida the launch pad for the American Dream." Growing up on a cattle ranch here in Florida, Adam has a dedication to hard work. He understands vocational and technical training and encourages its importance in modern day education. He has conservative principles and has a clear vision for Florida's future.
